## Reading Comprehension

### ( Greenhouses )

#### 2- Read the passage below and answer the questions:

Greenhouses are used to grow plants. They are made of glass. Sunlight enters the greenhouse and keeps it warm. Farmers grow vegetables and flowers inside greenhouses protect plants from cold weather. They are very useful for gardening. Some people have small greenhouses at home. Inside, it feels like spring all year. Would you like to have a greenhouse?

#### - Mark True (T) or False (F):

1	Greenhouses are used to grow plants.	T
