The Funniest Crime Fail

A man in California, struggling financially and lacking reading and writing skills, decided to rob a bank. He chose Bank of America in San Francisco. Once inside, he realized he hadn't written a robbery note, so he wrote: "This is a stickup. Put all your muny in this bag," on a Bank of America deposit slip.

Before handing the note to the teller, he panicked and left. He then went to a Wells Fargo bank nearby and handed the same note to a teller. The teller noticed spelling mistakes and told the man he couldn't accept the note because it was written on a Bank of America slip. He told him to either use a Wells Fargo slip or go back.

The confused man went back to Bank of America. Meanwhile, the Wells Fargo teller called the police, who arrested the man while he waited in line at the original bank.
