Worksheets

Name: _____

Class: _____

First Term

2025 - 2026

Date: _____

1: Draw a line to match each word to its meaning.

Word	Match →		Definition
1- Ascending Order	D	A	Order numbers from greatest to smallest.
2- Descending Order	A	B	This sign shows the first number is bigger.
3- Greater Than (>)	B	C	This sign shows the two numbers are the same.
4- Less Than (<)	E	D	Order numbers from smallest to greatest
3- Equal To (=)	C	E	This sign shows the first number is smaller.

2: Let's Compare

Use the correct symbol: **<, >, or =** to compare the numbers.

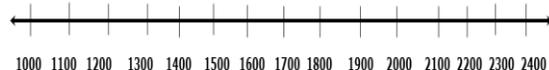

- 457 **<** 475
- 892 **=** 892
- 1205 **>** 1201
- 99 **<** 999
- 3210 **>** 3201

3: Look at the number line below.

Order the numbers from the greatest to smallest

1900, 2100, 1200, 2300

Order: 2300, 2100, 1900, 1200

Date: _____

4: Ordering Numbers

☞ A. Ascending Order (from smallest to greatest)

Put these numbers in the correct order, from least to greatest:

4235 4325 4253

1. 4235

2. 4253

3. 4325

☞ B. Descending Order (from greatest to smallest)

Put these numbers in the correct order, from greatest to least:

7801 7108 7081

1. 7801

2. 7108

3. 7081
