2- Read the following passage and then answer the questions below:

Traveling is one of the most enjoyable activities. People travel for many reasons. Some travel to relax and enjoy their holidays. Others travel to learn about new cultures and meet new people. Traveling can also be for work or study. Many students travel to other countries to study at good universities. Some people travel to visit their families in different cities or countries. When we travel, we can see beautiful places, try new food, and take nice pictures. Traveling helps us learn and become more open minded. However, traveling can be expensive and sometimes tiring. Still, most people believe that traveling is a wonderful experience that makes life more interesting.
