2- Read the following passage then answer:

To build a good future we have a vision for the country. Saudi Arabia has many assets to build a good society. This vision has three main themes. One of these themes is a good society. Families are very important in Saudi society, they protect society and they care for the children. A very important part of our country is Islamic values. Islam helps families stay together. Saudi Arabia provides families with support for their children and for their children's education. Families care for their children and for the future of the country. Every family wants a home. Saudi Arabia also helps its families to buy homes and feel safe.
