Read the following passage and mark (T) or (F):

Last hours in Morocco. I'm already at the airport. This week, we traveled to the west of the country. Our first stop was Casablanca, where my dad's friend invited us for lunch. Moroccan food is amazing! I had chicken bastilla, my favorite pie, and I also tried kofta meatball tagine, which is meatballs in tomato sauce. I ate eight meatballs! After that, we went to Marrakech for three days. We spent our last night in a traditional house called a *riad*, which was much better than the hotel. I'll upload lots of pictures tomorrow from home. Goodbye, Morocco.
