

First Semester of the Academic Year 1447-2025

Worksheet (14)

Level	4	Name	
Subject	Math	Class	

1) Write an expression and a numerical sentence for the following:

Sama wrote 3 messages today and 2 messages yesterday. How many messages did Sama write in two days?

Expression sentence $3 + 2$

Numerical sentence $3 + 2 = 5$

2) Write the sign (+ or -) that makes each of the following numerical sentences correct.

a. $21 + 11 > 31$

b. $30 - 6 = 8 \times 3$

c. $9 - 2 < 11$

d. $19 + 20 > 38$
