2- Read the passage and write (T) for true and (F) for false.

Chips

George Crum is the cook who made the first chips. In 1853, he was working in a hotel restaurant. A man who was eating there sent back his fries many times. He said they weren't tasty. Crum got angry. He cut the potatoes into thin slices, fried them very well and put lots of salt on them. The man loved them and he asked for more. Today chips are a popular snack all over the world!

	T	F
1. George Crum is the cook who made the first chips.	T
