**Dear Sara,**

We arrived in Paris three days ago. The hotel is small but very nice. On our first day, we visited the Eiffel Tower. It was amazing! The weather was sunny, so we walked in the park near the tower.

Yesterday, we went to the Louvre Museum. It was very big and interesting. We saw many famous paintings and took lots of pictures.

Today, we are going to visit Disneyland Paris. We are going to ride the roller coasters and watch a show. After that, we are going to have dinner at a French restaurant. I'm very excited!

Tomorrow, we are going to go shopping and buy some gifts for our family.

Wish you were here!

Love,  
**Maya**
