Manners Around the World

People have different manners in different countries.

In **Japan**, people bow when they meet. It is polite to give a small gift. Don't open the gift in front of the person.

In **Brazil**, people shake hands or hug their friends. It is polite to bring flowers or sweets when you visit someone.

In **France**, people say "Bonjour" when they meet. Don't put your elbows on the table. Chocolate is a good present.

Learning about manners helps us respect others.
