**3- Composition:**

**3- Write a paragraph of 40 words about “what you regret and why”.**

**A Regret**

I regret losing one of the best opportunities in my life. I received an offer to work as a business assistant, but I rejected it. Now, I regret this decision for three reasons. First, the salary was very high. Second, I could have traveled to many countries. Third, the business work environment was very nice. If I had accepted the offer, I would have a very good job now.
