6- In 5000 B.C.E., they have invented the to move heavy loads.

A. electricity **B. wheel** C. T.V D. phone

2- Read the following passage, then answer the questions:

Regrets

My name's Jack and I want to tell you about something I regret. It happened over twenty years ago. I must have been around five years old. It was a summer day and I was in a park playing with some other kids from the neighborhood. There was a boy there named Jeremy who I didn't like very much, but I can't remember why. Anyway, we were playing near a pond. The water was very dirty and it was full of weeds and slime. You can guess what I did, right...? I waited until he was standing near the edge of the pond, and then I crept up behind him and gave him a good hard push in the back. He went flying straight into the filthy, slimy water! His dad rushed over and pulled him out. Jeremy was crying and pointed at me, saying "It was him. He pushed me!" Of course, I denied it. My parents were there, but I insisted I was innocent and without any proof they took my side. The bad thing is that Jeremy's parents and mine used to be good friends, but after that they never spoke to each other again. I should have told my parents the truth, but I didn't. To this day, I still regret pushing that boy into the pond.

Choose (T) for true or (F) for false:

1	The incident with Jeremy happened when he was a teenager.		F
2	He had a specific, clear reason for why he didn't like Jeremy.		F
3	The pond where the incident occurred was clean and clear.		F
4	He pushed Jeremy into the water while his back was turned to him.	T	
5	Jeremy's father was the one who pulled him out of the slimy water.	T	
6	He immediately apologized and admitted to pushing him.		F
7	His parents took his side because there was no proof, he did it.	T	
8	His parents and Jeremy's parents remained close friends for years after the incident.		F
9	Even twenty years later, he still feels a sense of regret over what happened.	T
