### 2- Read the passage then answer the questions:

#### Kindness is Catching

There is an idea that the world can become a better place if one person is kind to another person. When you are nice to someone else, it makes you feel good about yourself. Also, if you are nice to someone else, that person feels good and might do something nice for another person. In this way, people will be nicer to each other. There are many easy things that you can do every day to make other people happy. Here are a few ideas: Say hello to strangers when you pass them in the street. Pay for the coffee or tea of the person who is behind you in line. If someone is in a hurry, let them go ahead of you in line. Greet a store clerk and ask him or her about his or her day. Write kind comments on Internet blogs. Walk through your neighborhood and pick up trash that is on the street. If you go to the grocery store or a local farm, pick up food for a neighbor. Write a note to your teacher to say that you enjoyed a lesson. Make cookies or treats and hand them out for no special occasion.
