"English as an International Language"

English is an international language used by people all over the world. It helps people from different countries communicate easily in travel, business, and education. Many books, websites, and movies are in English, so learning it opens many opportunities. Students study English to get better jobs and connect with others. Even if it is not their first language, people use English to share ideas, learn new things, and understand different cultures. It also helps people build friendships across the world.
