**2-Read the following passage and answer T or F:**

Tennis is a popular sport played all over the world. People can play tennis on a court with a racket and a small ball. There are two players in a singles match or four players in a doubles match. The players hit the ball over a net. The goal is to make the ball land in the other player's court. Tennis is a fun and healthy sport. It helps people stay fit and active. Players need to run fast and focus well. Many people enjoy watching tennis matches on TV, especially famous tournaments like Wimbledon.
