2-Read the following passage and answer (T) True or (F) False: -

Helping the environment

Many students at Bright School like helping the environment. They bring old bottles, jars, and cans to school every week. The students wash the bottles and use them again for art projects. Some students use glass jars to keep pencils and small toys. The cans are collected and sent to a recycling center. The teachers remind everyone not to throw rubbish on the ground. The school is cleaner because all students work together to protect the environment.
