

Second Semester of the Academic Year 1447-2025

Worksheet (14)

Level	5	Name	
Subject	Math	Class	

First: Highlight the correct answer for each of the following.

1	2 L = mL						
A	2	B	20	C	200	D	2000
2	10000 mL = L						
A	10	B	100	C	1	D	1000
3	23 L = mL						
A	23000	B	230	C	32000	D	23

Second: Answer the following.

Shadi drank 200 mL of tea in the morning, then drank 150 mL after lunch, and 150 mL after dinner. How many milliliters of tea did Shadi drink that day?

$200 + 150 + 150 = 500 \text{ mL}$
